# ARIN AND GOOD GIRL

Term: Spring | Issue 5 | Date: September 4, 2021

## TEAM DEVELOPMENT

We are excited to introduce our newest team member - Alexandra!

Alexandra has a passion for helping people, participating in adaptive sports, and jumping out of perfectly good airplanes!

Her discipline, respect, work ethic, enthusiasm, and commitment to redefining the labels about her disability, has allowed her to flourish in the many activities she involves herself in.

When envisioning the future she dreams of for the differently abled community, Alexandra says, "I hope to see more access in public for those with a disability, access to the things that able bodied people have. I also want to see more of able bodied people accepting of those with a disability."

## COMMERCIAL KITCHEN

As the team grows, we hope to expand production to a commercial kitchen for a few days a week.

Churches, clubs, or kitchen venues interested in a partnership and not in constant use would be ideal for production expansion. If you have contacts in the Belmont, NC area, please reach out!

## BAKING EVENT - 9/17

Calling all differently abled future bakers! If you or someone you know is interested in trying their hand at baking, we'd love to have you on Friday, September 17th for a morning baking session.

Please email [aringoodgirldogtreat@gmail.com](mailto:aringoodgirldogtreat@gmail.com) for details and registration.
